

ORDER FORM FOR INDIVIDUALS:

NEW/REPLACEMENT STUDENT VENTRA CARD

2015-2016 School Year

DO use this form to request a new or replacement Student Ventra Card with Student Reduced Fare riding privileges for the 2015-2016 school year.

DON'T use this form if the student attends a Chicago Public School or a school that issues Ventra Cards directly. (The school issues a card to the student, instead.)

DON'T use this form if the student already has a Student Ventra Card from the previous term. Instead, use the *Renew Student Reduced Fare Riding Privileges* form at ventrachicago.com/students.

ELIGIBILITY

- Student Reduced Fare riding privileges are available to full-time students ages 7-20, for trips to and from regular day classes at a public, parochial or private elementary or high school, on school days 5:30am–8:30pm.
- Fare is calculated automatically when using this card and students only need this one card, year-round. Outside of Student Reduced Fare hours (or when not attending school), students <12 are charged Reduced Fare when riding (automatically, if registered—otherwise, they'll need to ask for help to get the Reduced Fare when riding), while students 12-20 are charged Full Fare.

REGISTER YOUR STUDENT'S CARD

If you register your student's card, transit value is protected if the card is lost or stolen. Also, you'll be able to use convenient account management features—including loading value online or over the phone—and for receiving important notifications and updates regarding student fares.

Completing this form doesn't automatically register your card with Ventra. You must visit www.ventrachicago.com or call 1-877-NOW-VENTRA to complete your registration.

Ordering a Replacement?

If you're ordering a replacement Student Ventra Card, we can transfer the remaining value on a lost or stolen card to your new one if the old card was registered. Note you'll still need to send payment for the new card with this form, or if registered, visit the Ventra Customer Service Center at 567 W. Lake, Chicago, to replace your card.

(Skip this section if you're ordering a new card or a replacement for a card that was never registered—only registered cards are eligible for balance protection transfers.)

Log on to ventrachicago.com or call 1-877-NOW-VENTRA to get your Student Ventra Card's Transit ID. It's a 12-digit number that starts with "1100":
